THINGS TO DO IN REDMOND:

Visit the underground! See and explore inside lava tubes at the Redmond Caves [Redmond Caves Recreation Site | Bureau of Land Management \(blm.gov\)](#)

Walk the Dry Canyon-it's like a wilderness adventure in the city! The Dry Canyon City Park runs north/South through Redmond and features recreational activities including mountain bike trails, sports fields, open space, and an abundance of native vegetation set down about 50 feet threading through the center of the City. A spectacular example of well-planned open space preserved for the community. [Dry Canyon Trail Map » Bend Trails](#)

Bring the family to ride the Pump Track! One of the only pump track facilities east of the Cascades. This community conceived facility offers a lot of well-engineered whoop-de-dos for all levels of riders. [Homestead Bike Pump Track | List of City Parks | Redmond, OR \(redmondoregon.gov\)](#)

Rope up Monkey Face Saturday morning (or just watch others do it) at Smith Rock State Park [Smith Rock State Park - Oregon State Parks](#)

Non-TIF Members are welcome to attend Site Tours, too!

For a small fee (\$10-15), non-members can join the Committee as they experience guided tours through some of the most innovative and impactful TIF projects in Oregon.

THANK YOU TO OUR EVENT & ANNUAL SPONSORS!
